

*Partnered in Pharmacy. Delivered to Your Door.*

## Enrolling is Easy.

- ✓ **Pick Up the Phone.** We will conduct a brief telephone interview to gather your family's names, address, phone numbers, and insurance information. You can enroll by mail too, but a phone call gets you out of filling in a form.
- ✓ **Tell Us Your Story.** Let us know where your prescriptions are currently being filled and what you will need right away.
- ✓ **Open the Door.** We will give you a call back with the details of the transfers and what will be delivered that evening. All you need to do is open the door when we ring the bell.

## Reordering is Easy.

- ✓ **Pick Up the Phone.** No buttons to push. You call. We answer. Just let us know what is needed.
- ✓ **Jump On-line.** Once a medication is delivered it is given an Rx number. This number can be entered on-line for reorder. Tap your phone and medication, toiletries, and supplies are on the way.
- ✓ **Via Email.** Imagine being able to email your pharmacists a question or request. Why not?
- ✓ **Do Nothing at All.** If you are agreeable, your family's regular daily medications will be filled all on the same day of the month and delivered all at one time free of a delivery charge. Time your "as needed" stuff at the same time and we will deliver that too.

## Paying is Easy.

- ✓ **Open an Account.** Each household will be given an account so medications and supplies can be ordered over the phone or on-line. No money needs to be handed to the driver.
- ✓ **Credit Card.** Placing a credit card on file is the easiest way to keep your bill up to date.
- ✓ **Charge Account.** Let's face it, some people don't have a credit card. For a \$25 annual fee, we are willing to extend 30 days worth of co-pay credit. As long as your bill stays current, you will be welcome to send a check by mail or pay in person.

## You are Welcome Anytime.

- ✓ **Drop in.** Just because we deliver, shouldn't stop you from dropping by the store to say hello. We welcome the opportunity to discuss medication in person, research products you want on hand, or to pay your bill. Whatever the reason, it's always nice to put a name to a face.

## The Big Question

- ✓ **What does it Cost?**
  - One weekly delivery is included.
  - Each extra evening delivery is \$3 per household per incident.
  - An afternoon urgent delivery is \$15 per incident
  - A \$25 annual fee to open an account without a credit card.
